Purchase Protection you can't buy.

Buy most anything as an active GenGold® member and that item is automatically protected against fire damage or theft for up to 90 days from date of purchase. This valuable service is without additional cost, and is valid for goods up to \$1,000 in value. To ease your mind even more, there's no pre-registration required. You're free to shop for almost anything you'd like, wherever you'd like, knowing you have extra protection against fire or theft. To learn more about this great benefit or to file a claim call GenGold® at (800) 428-6686.

Extended Repair Warranty keeps it going.

GenGold® stops at nothing to bring value to members. So, when the warranty ends on the merchandise current GenGold® members buy, our Extended Repair Warranty starts working for you. You'll automatically be covered for up to one additional year, at no cost, for many purchases up to \$1,000. It's world-class coverage that's good for just about anything with a valid U.S. warranty. Limitations apply. To learn more call GenGold® at (800) 428-6686.

Protecting your identity is a real steal.

To be robbed of your identity is a terrible crime – especially when, as a GenGold® member, you could easily take steps to secure yours for no additional charge. GenGold's Identity Theft and Security Center Program featuring Restoration Rescue® provides first-rate protection against the fastest-growing crime in the country, as well as the #1 complaint received by the Federal Trade Commission. To arm yourself, you can place a fraud alert on your credit file and obtain copies of credit reports whenever you request them from credit reporting agencies. You can even sign up to reduce the amount of junk mail and catalogs you receive. GenGold® members enrolled in the program receive an added level of protection against any liability that results from fraudulent misuse of lost or stolen credit cards associated with the breach to your credit or identity. After completing the registration at gengold.com and activating your Restoration Rescue® coverage, you'll be able to take advantage of these services to help you resolve any identity theft situation you might encounter:

- **Professional legal counseling.** Members who have activated Restoration Rescue® will have access to an attorney specializing in identity theft restoration to discuss the applicable laws and time limits which apply to recovery of the loss of funds, as well as the option of signing a Limited Power of Attorney, so that our attorneys can act on your behalf.
- **Credit restoration assistance.** Restoration Rescue® will assist in contacting all credit bureaus, creditors, financial institutions, merchants and even utility companies on your behalf.
- **Consumer protection support.** GenGold® will advise the member on all their options for litigation if all other avenues do not resolve the matter.

When it comes to Identity Theft Protection, you can't name a better service at a better price.

If you haven't already registered at gengold.com and activated Restoration Rescue® coverage, please do so as soon as possible to ensure that you are covered.

Protect all your "valuables" with the services offered by our GenGold® business partners.
